

YOU'RE INVITED

Irvington's Energy Training

Date: Tuesday, August 3, 2010

Time: 9 a.m.

Location: My Brother's Keeper

Attending this training will be your first step toward minimizing electricity costs and keeping your heat on during the winter.

You will be given information about programs and services that will lessen your worries about turn-off.

Representatives will be in attendance from the Office of Home Energy Programs (OHEP), Baltimore Gas & Electric (BGE), and the Maryland Fuel Fund.

You will learn about program eligibility requirements and how to navigate the application process.
